

PSHE Curriculum **Intent, Implementation and Impact**

Intent

The intent of our PSHE curriculum is to deliver a curriculum which is accessible to all and that will maximise the outcomes for every child so that they know more, remember more and understand more. As a result of this they will become healthy, independent and responsible members of a society who understand how they are developing personally and socially, and give them confidence to tackle many of the moral, social and cultural issues that are part of growing up. We provide our children with opportunities for them to learn about rights and responsibilities and appreciate what it means to be a member of a diverse society. Our children are encouraged to develop their sense of self-worth by playing a positive role in contributing to school life and the wider community.

Implementation and Impact

Every year group is provided with week-by-week lessons in PSHE. We follow the scheme SCARF: Safety, Caring, Achievement, Resilience, Friendship.

Here at Chaucer, we realise the importance of the link between pupils' health and wellbeing, and their academic progress. Crucial skills and positive attitudes developed through comprehensive Personal, Social, Health and Economic education (PSHE) are critical to ensuring children are effective learners. We recognise how important these skills and attitudes are in unlocking pupils' potential, helping to raise achievement and closing the gap in educational attainment. SCARF ensures that we are fully prepared for an Ofsted inspection under the new (Sept 2019) framework and helps provide the highest quality PSHE, it also meets Ofsted's expectations for SMSC, British Values and Personal Development.
