

### **Personal, Social and Emotional Development**

This term we will be gaining more confidence to talk to each other when playing. We will continue to learn by choosing different activities and sharing them with our friends.

### **Communication and Language**

This term we will be learning nursery rhymes and listening to stories related to our topics. We will be practising our speaking and listening in our play whilst playing alongside our friends. We will be being to understand 'why' and 'how' questions.

### **Literacy**

We will be listening and joining in with rhymes and stories related to our topics. We will begin to show an interest in books and print in our Nursery environment. We will continue to develop our early writing through finger gym activities such as threading, sand, tweezers and Dough Disco exercises. We will be beginning to give meaning to the marks we make.

### **Physical Development**

This term we will be developing our cutting skills and begin to use the correct pencil grip. We will be using the outdoor environment to develop our movement through using the large equipment to build, explore and investigate. We will continue to develop our personal hygiene and dressing skills.

### **Autumn Term 2**

#### **Nursery Theme**

Remembrance Day  
Light and Dark: Space stories  
Christmas

### **Mathematics**

Through rhymes and songs we will be learning numbers and shapes. In our play we will be able to count and create using shapes and patterns. We will be developing our understanding of positional language.

### **Knowledge and Understanding of the World**

This term we will be learning about how we are all unique. Through circle times we will be speaking and listening to each other about events and things they do at weekends. We will be learning about light and dark through stories and music.

### **Enhanced Curriculum**

Lantern Festival held in Fleetwood  
Christmas Crafts with parents

### **Expressive Arts and Design**

This term we will be painting, drawing and using movement to represent our learning. We will experiment with blocks, colours and marks. We will also be observe and encourage children's make-believe play in order to gain an understanding of their interests.
