COVID-19 Update

Following the announcement yesterday I would just like to reassure parents that as and when we receive additional information regarding the phased return of year 6, year 1 and Reception pupils in June we will be inform you with a plan, taking into consideration all the health and safety measures required.

Please be aware that school holidays are not able to be changed and children at Chaucer will be potentially be returning for a phased return on Monday 8th June.

Staffing Updates

As many of you will be aware Miss Carla Blade has left Chaucer and we wish her all the best in her future career. I will be informing you of her replacement prior to a return to school however online learning through the class Dojo will continue, any questions please do not hesitate to ask Mrs Gough and Mrs Willis through the Dojo system or via the school office.

I would like to say congratulations to Miss Glenn who has returned to school as Mrs Harwood this obviously means we also say goodbye to Mr Chris Readey who we wish well in his future career.

Home Learning

Lovely to see all of your work on the class Dojo's and the lovely artwork which will feature in the school video. We will be posting the video on line this week so look out for it on the website and Chaucer chatter.

There are paper packs of work available in the office if you wish to collect at your convenience. If you haven't yet received a phone call from the class teacher and wish to speak to them, or your child would like to have a chat with their teacher, please ring the office and we will ensure a phone call is made when the class teacher is next available in school.

Please be informed that a data collection form will be forwarded through the parentapp in order to ensure all details are up to date.
