

Key Stage 1		
Term	Year A	Year B
Autumn	Painting (Mixing colours and experimenting with painting tools)	Collage (Choosing different texture materials for specific purposes. Arranging and gluing materials to different backgrounds)
Spring	Drawing (Mark making and developing pencil techniques)	3D (Exploring sculpture and manipulating malleable materials in a variety of ways)
Summer	Printing (Printing with a range of hard and soft materials. Building repeating patterns)	(Drawing) (Investigating texture and experimenting with media)

Lower Key Stage 2		
Term	Year A	Year B
Autumn	Drawing (Making marks and lines and experimenting with different grades of pencil and a wide range of implements)	Painting (Experimenting with and creating different effects and textures. Mixing secondary colours)
Spring	Collage (Experimenting with a range of collage techniques. Using collage as a means of collecting ideas/visual vocabulary.)	Printing (Creating printing blocks. Printing with 2 colour overlays.)
Summer	3D (Plan, design and make clay models)	Drawing (Pattern Texture and Making Marks)

Upper Key Stage 2		
Term	Year A	Year B
Autumn	Painting (Mixing and matching colours to create atmosphere and light effects. Working with complementary and contrasting colours.)	Drawing (Using dry and wet media, tonal contrast and mixed media. Begin to use a simple perspective.)
Spring	Drawing (Using perspective, scale and proportion)	Printing (Using relief/impressed methods. Creating prints with three overlays.)
Summer	Collage (Using a range of media to create collages. Use collage as a means of extending work from initial ideas.)	3D (Develop skills in using clay. Use recycled, natural and man-made materials to create sculptures.)
