Nursery Newsletter

What's have we been up to?

We have had a fantastic week learning all about Jasper's Beanstalk. We have planted our grass heads and we finally got to visit the farm. The children were so well behaved and loved every minute of the trip. We were very excited to meet the animals and even got to hold and feed some of them!

Next week..

We will be continuing to look at plants, we will be exploring the book - How do flowers grow? The children will learn about different parts of a flower and then we will be planting in the large boxes in the reception garden.

Reminder
If you child does not have a spare set of clothes in nursery, please could we have a set to put on their pegs - in a labelled bag.
