 Come on in event

Our Key Vocabulary this term...

Family

Mood Monsters Word Mat

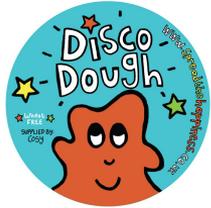

Learning at home..

Why not try some of the activities below at home...

- 👤 Create your own family tree to share with the class.
- 👤 Find a photograph of your family and bring it to school to share with your class.
- 👤 Practice becoming more independent with toileting, zips, dressing yourself.

Physical Development

We will be focusing on our fundamental skills, practicing building our hand muscles with dough disco and learning to become more independent with everyday tasks.

Literacy

We will be using our listening ears to explore environmental and instrumental sounds. We will be looking at and recognising familiar logos and enjoying mark making.

Understanding the World

This term we will be looking at our life stories and our families. We will be visited by the travelling puffin and learning about different countries around the world and exploring the natural world around us through trips to the park/library.

Expressive Art and Design

We will be using paint to create our own self portrait based on portraits from different artists such as Picasso and Frida Kahlo. We will enjoy using our music lessons to learn new songs and create movement to these. The home corner will be set up for children to create their own stories based on their experiences and their imagination.

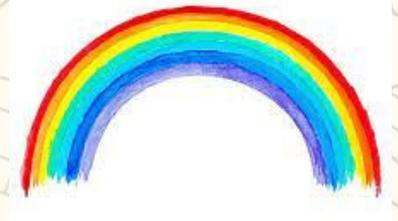

PSED

This term we will be meeting Harold the SCARF giraffe, learning all about marvellous me and the people who are special to me.

Maths

This term we will be exploring colour. We will also be developing an understanding of matching and sorting.

Why not go on a colour hunt and see how many colours you can identify?
