

Knowledge Organiser - Spring 1 - We are Cold!

Books we are looking at this term....

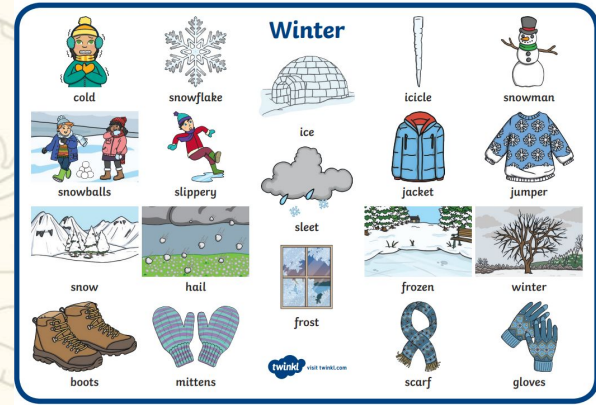

This term we will be learning all about winter, we will also be taking a quick look at Chinese New Year and some special celebrations.

Classical Composer of the term -
 January - Karl Jenkins
 February - Frédéric Chopin

Look out for..
 Park Trip
 Bedtime Stories
 Story Sack Club
 Come on in event.

Our Key Vocabulary this term...

Learning at home..

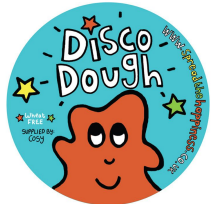

Why not try some of the activities below at home...

- On winter mornings, the ground often looks white with frost. Ask a grown-up to help you investigate the frost and find out what it is and where it comes from.
- Create a winter outfit for yourself and send us a photograph on dojo.
- Practice becoming more independent with toileting, zips, dressing yourself.

Knowledge Organiser - Spring 1 - We are Cold!

Physical Development

We will be continuing to focus on our fundamental skills, practicing building our hand muscles with dough disco and learning to become more independent with everyday tasks.

Literacy

We will be using our listening ears to explore rhyme and alliteration in words. We will be looking at and beginning to recognise letters in our names and enjoying mark making.

Understanding the World

This term we will be looking at winter, we will become park keepers for the day and explore how the park has changed over time, we will be looking at some special occasions such as chinese new year and continue to look at postcards from the Peter Puffin.

Expressive Art and Design

We will be using various materials to create a winter collage based on Wilhelmina Barns-Graham's Glacier Crystal. We will be using ice paints to explore colour and using sticks to create our own stickmen. We will be creating our own music, singing and dancing and building our own storylines in the home corner.

PSED

This term we will be looking at how to keep ourselves safe, exploring how we can be safe indoors and outdoors. We will then look at people who help us.

Maths

We will be looking at the composition of the numbers 3, 4 and 5.

How many number 4's can you find in your house or on your way to school.
