Chaucer Primary School - Friday 23<sup>rd</sup> September 2023

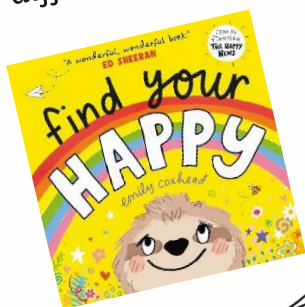

Hello everyone!

We have had another great week this week! We have been reading "Together We Can" which looks at how we can be a great friend and how we can come together as friends. We have discussed our friends and have drawn lots of pictures and shared what we enjoy doing with our friends. We have looked at sorting in Maths and we were so impressed with the children's sorting skills. We have also been really impressed with the children's imaginative skills in the deconstructive role play area - they used boxes and chairs to create a bus, a bus stop and even made tickets!

Next Week:
