

Nursery Newsletter

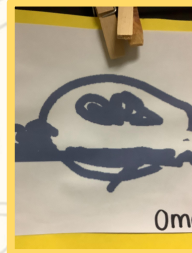

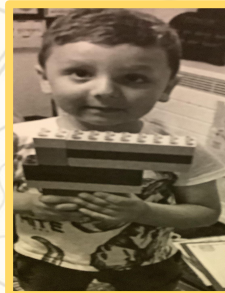

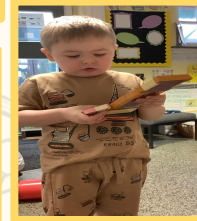

Friday 8th September 2023

What's have we been up to?

WOW - What an incredible first week we have had together in nursery. We are so proud of each and every one of the Little Puffins! This week we have enjoyed listening to the story Peter Puffin - learning all about puffins. We also loved exploring our new classroom environment inside and outside. We have met lots of new friends and got to know all the adults in our classroom.

Next week..

We will be learning all about ourselves. We will visit the park for the first time for our forest schools session and will enjoys exploring our new environment.

Reminder
Spare Clothes - Please can we have a bag of spare clothes for your child.
Water Bottles - if your child does not have a water bottle in nursery yet please could we have one.
