## What's have we been up to?

This week we have enjoyed exploring autumn. The children have painted trees, created tree collages and built trees in the construction area. We have looked at pattern in maths and we have enjoyed creating simple repeating patterns. We have also loved learning all about Chaucer 120 celebrating 120 years of our school - we took part in a bike ride as a way of celebrating past events.

## Next Week.

We will be exploring the seasons more - we will be looking at the text "Tap the Magic Tree" and looking at our schools past further.
