What's have we been up to?

HAPPY NEW YEAR! Welcome back everyone, what a fabulous first week back - we would like to say a massive well done to all our new starters this week who have settled in really well. This week we have enjoyed beginning our learning journey surrounding winter, we have created winter collages, made sleighs and even conducted an ice experiments! It has been a great first week back. Well Done Little Puffins!

Next Week.

We will be exploring winter further, learning about hibernation, we will be looking at the text Over and Under the snow and in maths continuing to learn about the number 3!
