

Reception Newsletter

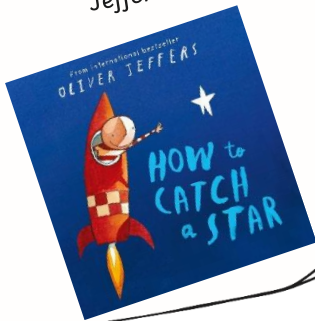

Chaucer Primary School - Friday 2nd February 2024

Hello!

This week we have been introduced to a Non-Fiction text all about Owls. We have created our own Owl fact files based on the facts and knowledge that we have learnt throughout the week. In Maths, we have been looking at mass and capacity. We have been making predictions on which objects would be heavier/lighter and how many cubes would make an object balance on the scales. We have used the junk modelling area to make nests for Owls and created our own owl artwork using charcoal. - Miss Pritchard

Next Term:

We will be focusing our learning
Around How To Catch a Star by Oliver
Jeffers.

Well done to Sterlin for being the
star of the week this week!

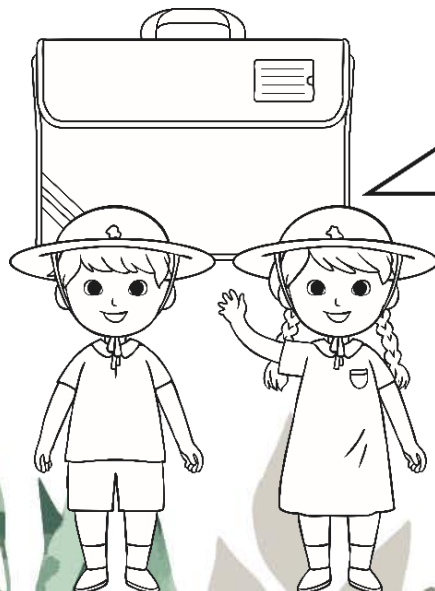

Dates to Remember

PE Days:

Monday & Wednesday

Thursday 8th February

Come On In! 8:45-09:15

Home Activity

Please continue to read every night with your
child to build up fluency.

Thank you!
