

Reception Newsletter

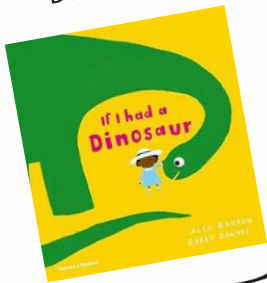

Chaucer Primary School - Friday 9th February 2024

Hello!

This week we have been reading 'How to Catch a Star' by Oliver Jeffers. We have discussed and written how we would catch our very own stars and build jettys in the construction area. We have also used the junk modelling station to create our own nets and lassos. We had our very own 'Come On In' event where our grown up's joined us to do some Valentine's crafts and we learnt all about Chinese New Year. We created our own lucky money envelopes and made Chinese lanterns. - Miss Pritchard

Next Term:

We will be focusing our learning around "If I had a Dinosaur" by Gabby Dawnay.

Well done to Charlie for being the star of the week this week!

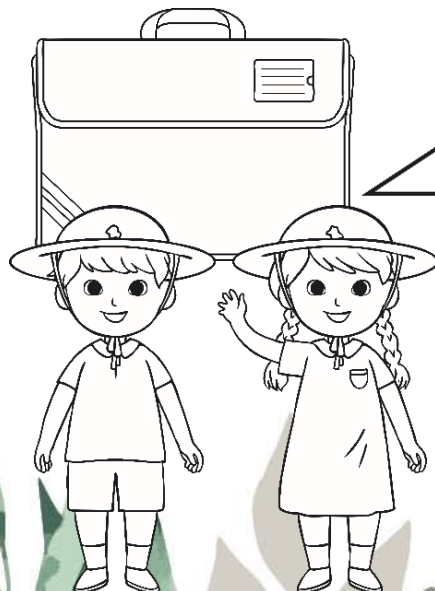

Dates to Remember

PE Days:

Monday & Wednesday

Thursday 8th February

Home Activity

Please continue to read every night with your child to build up fluency.

Thank you!
