

Nursery Newsletter

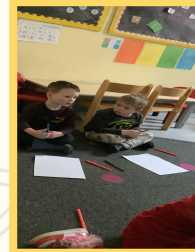

Friday 15th March 2024

What's have we been up to?

This week the children have loved listening to the text "Farmer Duck". We have enjoyed joining in with the words in the story and then drawing pictures from it. We have also enjoyed learning all about weight and mass this week. The children have loved using the scales to measure different objects around our classroom. We looked at jobs on the farm and we were very excited to tell each other what we would do on the farm.

Next Week...

We will be looking at the text "Farmyard Hullabaloo". We will also be exploring signs of spring and in maths we will be focusing on capacity.

Diary Dates...

- 20th March - Parents Evening
- 27th March - Easter Bingo
- 28th March - Finish for Half Term

Reminder
Please can we have
a spare set of
clothes in school
for your child.
