## What's have we been up to?

We have had a very busy week this week looking at plants. We have enjoyed looking at the flowers at the park and drawing some we found. We helped plant lots of different seeds in our garden planters and learning about how they grow and what we need to do to care for them. In maths we have enjoyed looking at shape. We explored the outside area to find lots of different 2D Shapes.

## Next Week...

We will be looking at plants more. We will be exploring the text "The Tiny Seed". The children will continue to observe our plants and caterpillars and in maths we will be looking at 3D Shapes.

Reminder  
P.E. Days are Tuesday  
and Thursday - Please  
can children come in  
trainers/pumps and  
suitable clothing.  
Thanks.
