

Reception Newsletter

Chaucer Primary School - Friday 26th April 2024

Hello everyone!

This week we have been reading 'Errol's Garden' by Gillian Hibbs. Errol lives in a Flat building so some of the children built Flats in the construction area and used the small world characters to re-tell the story. The children have enjoyed junk modelling their own flowers and flower pots for our Garden Centre and creating flowers in the malleable area whilst discussing the different parts and functions. We have been matching uppercase and lowercase letters and sequencing how to grow a flower which we are going to do next week. In Maths we have had a big focus on recognising numbers beyond 10 and placing these numbers in order. - Miss Pritchard

Next Week:

We will be focusing our learning around "Seed to Sunflower".

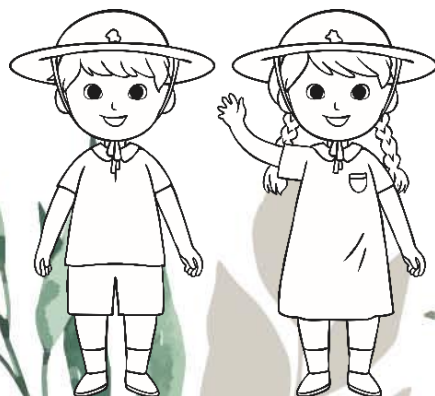

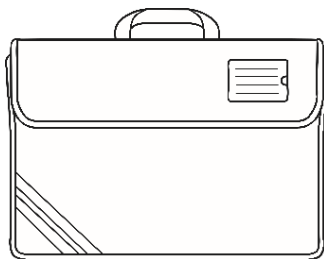

Well done Alayna for being our star of the week!

Dates to Remember

Tuesday & Wednesday -

PE Days

Home Work

Please continue to read every night and sign your child's reading log.
