

Reception Class Newsletter

6th September 2024- Autumn Term 1

First week at Chaucer.

WOW! What an amazing first week in Reception! The children have all settled well and have made many new friends. We have been super impressed at how well they have been learning together, sharing and listening to what they have been asked to do. The children have been very kind to one another and love to receive lots of praise from their teachers. It is not only the staff in Reception who have been impressed, teachers and staff from around school have also noticed how smart they look in their uniforms, how well they eat and play together. Well Done! You are all Superstars!

Don't Forget...

To bring your PE kit for **Monday**.
