Envelopes
Bridges

Our Key Vocabulary this half term...

Learning at home..

Why not try some of the activities below at home..

Find a photograph of you when you were younger and tell us how you have changed.

Practice becoming more independent with zipping up your coat, dressing yourself and writing your name.

This half term supports children with settling into the new rules and routines of school and encourages them to make new friends and feel confident in their new class. It teaches children about being helpful, kind and thoughtful at home and at school. This half term also teaches children how they are unique and special, the importance of friendship and how people in their family, school and local community are important and can help them.

Look out for..

Bedtime Stories
Come on in event
Phonics Workshop
Parents Evening

Reception 2024-25 - Knowledge Organiser - Autumn 1 - All about me, people who help us and Autumn

Physical Development

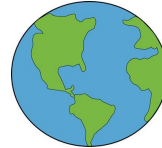

We will be focusing on our 5 fundamental skills, practising using scissors, using drawing equipment and copying letter shapes for our names.

Literacy

We will be using our listening ears to listen to stories and recall the main events. We will be engaging in conversations with our friends and adults. We will be learning Phase 2 sounds and how to use the sounds to read and write letters and CVC words.

Understanding the World

This term we will be looking at our life stories and our families. We will take a walk into the community to find out where we live and Fleetwood. As Autumn approaches we will walk to Memorial Park to look at the changes in the seasons.

Expressive Art and Design

We will be using paint and charcoal to create our own self portrait based on portraits from different artists such as Guiseppe Arcimboldo. We will enjoy using our music lessons to learn new song I've got a grumpy face exploring our emotions and feelings using our voice and facial expressions. The home corner will be set up for children to create their own stories based on their experiences and their imagination.

PSED

This term we will be looking at What makes me special. We will be making new friends and talk about how we feel.

Maths

We will be sorting, comparing and comparing amounts of numbers. We will develop a good understanding of numbers to 5 and knows that the amount stays the same however objects are arranged.

We will understand the 'one more/one less than' relationship between consecutive numbers.
